What would be up should the talk to
who to let? let me always be
embarrassed calling you back to look
at the boys the who the I (the guy) I
thought I was retouched like a
billboard or kink but you crossed
the line into bearded disappearance
you know that I would serve the
club mortal or corrupt

Some big clothing headlights
breathing down my neck
some really big sale what
would be up with you? let
me always be embarrassed
look at me the who the I (the
guy) I thought you were
retouched (to settle the
beard)

What would
be up
with you
should
the talk
to who
to let
to always
be embarrassed
calling you
back look
at you
the boys
the who

The I
the guy
retouched
like a billboard
or some kink
you crossed
the line
into bearded
disappearance
you know

that I would
serve the club
mortal and
corrupt

Headlights (the brand)
I'm embarrassed
to let you see
I bought out
the shirt
department
the bowel then
the trippy dress
(grinning) then
the shoulders
stooped then
the wait
look at me

Headlights
breathing
down my
neck some
big clothing
some real big
sacks come
on sale

let me always
be embarrassed
look at me
the who
the I
the guy
I thought you
were retouched
to settle
the beard
we sit outside
the mortal
corridor

What you
and the
boys the
who and
the guy
the one
big dick
in the room
who disappeared
my crinoline
my one finery
the one
shoulder
the one
creature
embarrassed
bearded
crumbs
the baby

fugues of hey

I'm here

the guy

the head-

light breath

hey I'm fixin'

to cross
